Hello everyone!

October to December are months where staff and students focused on their rigorous task and lectures. For the library, the months are packed with activities, audits and trainings.

It is our wish that, at the end of the year, the hard work will yield satisfying results and performance, for the staff as well the patrons themselves.

In this issue too, the library will be bidding goodbyes to our most respectful Chief Librarian, Dr Hajjah Kamariah binti Nor Mohd Desa as she has reached her retirement age on the 20th November 2017. We wish her life to be filled with wonderful years ahead.
