Deep Thinking, Anyone?

26 Sept 2017

Dr. Hj. Zulkifli Khair, Pensyarah Kanan, Fakulti Pengurusan

Deep thinking refers to meta cognition and reflection, an important tools for adults in gaining knowledge and wisdom. Deep thinking is a learning process beyond lecture and seminar room. It is beyond the physical world with appreciation on horizontal and vertical relationship. Finally, we believe that deep thinking is the soul of a scholarship, in producing holistic, global, innovative and entrepreneurial graduates.

The Language of the Subconscious Mind

Prof. Datuk Dr. Mohd Tajudin Md Ninggal, Profesor, Fakulti Pendidikan

Prof. Datuk Dr. Mohd Tajudin Md. Ninggal discusses the role of the subconscious mind in forming the attitude and behaviour of an individual in his or her daily life. The psychological aspect of self can help any individual not only to be positive, but also to improve the quality of mutual relations among the people within the organisation or any public settings. Attentiveness, politeness and good ethics are the behaviour that lead to the development of a society with a first-class mindset.

Kemerdekaan dan Pembinaan Negara

27 Sept 2017

Dr. Hashim Fauzy Yaacob, Pensyarah Kanan, Fakulti Pengurusan

Dr Hashim Fauzy Yaacob melihat kemerdekaan bukanlah satu hadiah atau pemberian daripada pihak lain, walaupun kemerdekaan Malaysia terhasil daripada perundingan dan kadangkala dipertikai oleh pihak asing khususnya daripada luar negara. Beliau menegaskan kepentingan perjuangan kemerdekaan, pembinaan negara dan penyatuan rakyat ke arah mencapai kemerdekaan.
