- **Speaker**
Dr. Yanti Idaya Aspura Mohd Khalid
Head,
Department of Library and Information Science
Universiti Malaya

Day 3 (15 March 2023)

INTERNATIONAL SYMPOSIUM ON OPEN SCIENCE FOR INFORMATION PROFESSIONALS

SHAPING THE FUTURE OF OPEN SCIENCE
<https://nsembilan.uitm.edu.my/opensciencesymposium>

International Symposium on Open Science for Information Professionals 2023

WEDNESDAY 15 MARCH 2023

9.00 - 10.00am

Workshop

- Speaker (Session1-3)**
Paula Lackie
 Fullbright Specialist,
 Academic Technologist for Data,
 Information Technology Services,
 Carleton College, MN, USA

Session 1

- Title: Information Science and Open Science: shared goals and symbiotic skills.
 In this session we will explore many ways in which information scientists support the entire research process from idea through gathering data, analysis, publication, and archives.

TEA BREAK

10.30 am - 12.00pm

Session 2

- Title: Trust, reproducibility, and shared research data.
 In this session we will explore the varied sources of research data and consider the vast utility of repurposed data from multiple sources.

LUNCH

2.30 - 5.00pm

Session 3

- Title: Pulling it all together: Working together toward Open Science for our shared benefit
 In this session we will wrap up all that we have learned about this collaborative network called Open Science. We will address any lingering questions and envision paths toward successful adoption of Open Science principles in our universities.
