

UTM-RDM Research Data Management

ABOUT US

UTM-RDM offers a central hub for research information. It keeps your data organized, saving you time. Sharing is made easy, fostering collaboration and maximizing impact. Additionally, UTM-RDM safeguards your valuable research from loss, theft, or misuse, ensuring its preservation and visibility.

4 SIMPLE STEPS :

Registration

Scan QR code provided for full description on how to register new account

Depositing

Scan QR code provided for full description on depositing process

UTM-RDM approval

Librarian will approve deposited materials into UTM-RDM and can be accessed through openscience.utm.my
